

KINETON PRIMARY SCHOOL NEWSLETTER JUNE 2022

www.kinetonprimaryschool.org.uk

17th June 2022

Dear all,

Well done Kineton Playgroup

Many congratulations to Playgroup on their recent Ofsted inspection which judged them to be outstanding in all areas. Brilliant news!

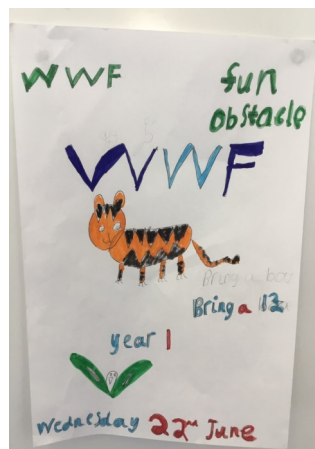

Paws, Claws and Whiskers in Year 1

On Wednesday, Year 1 had a furry visitor. Oakley the cockapoo visited the class as they have been learning about mammals. The children asked some amazing questions about his diet, weight and habits. We all stroked him and walked him around the field. We had a lovely afternoon.

Fundraising—a message from Year 1

As part of their Advocacy Week, Year 1 have decided that they would like to raise money for WWF. On Wednesday 22nd June, we will be organising an obstacle course for all year groups on the KS1 playground. Children across school are invited to bring £1 to take part. We hope to have an exciting time and raise lots of money for a wonderful charity!

Meet next year's teachers

A reminder that there is the opportunity for you to drop in to meet next year's teacher(s) and visit next year's classroom on Monday 3.15-3.45pm.

Have a lovely weekend.

Margaret Pollard

Headteacher
