10<sup>th</sup> June 2022

Dear all,

Welcome back to the final half term of this academic year. Time has certainly flown by! Knowledge organisers will be sent home today and can also be found on the school website <http://www.kinetonprimaryschool.org.uk/knowledge-organisers.html>

## My Feelings, Friends and Family

During this half term, each class will be following a programme of work on Relationships, Health and Sex Education. The programme is called 'My Feelings, Friends and Family'.

The programme is delivered over several weeks, across all year groups from reception to year six. It is split into five learning strands, with a lesson from each being delivered to every year group. Please see the separate email with details of what is going to be delivered to your child(ren) and for more details see the RHSE policy on the school website <http://www.kinetonprimaryschool.org.uk/policies--procedures.html>

The principle of the programme is that by giving children this information, building on simple messages, year after year, we can ensure that children grow up safe, with healthy relationships, better able to manage their emotions and most importantly to ask for help when they feel they need it.

If you would like to discuss this further please contact your child's class teacher via [admin3308@welearn365.com](mailto:admin3308@welearn365.com).

## Next year's teachers

I am pleased to confirm teaching arrangements for next year:

## Supporting children's independence

Staff in Key Stage 2 are working hard to develop children's independence as the end of the school year approaches. We would be grateful for parental support with this by leaving the Key Stage 2 playground once a member of staff is present, from 8.45am. Of course, if you need to speak with or pass a message on to a class teacher, please feel free to pop to the office. Thank you for your help.

## Year 2 post SATS Georgia O'Keefe Art Project

Year 2 have had a busy month of May 'quizzing' and have shown throughout how sensible, courageous and brilliant they are. They have done themselves and school proud. Following this they got mucky and down with the school flowers to wrap up their 'Flower Power' topic. Inspired by Georgia O'Keefe's Oriental Poppies, the children sketched and designed their flower, and produced a scaled-up version out of clay, which they painted with acrylics. The results are superb! We chose 3 flowers out of the school borders: Oxeye Daisy, Californian Poppy and Oriental Poppy. (Mrs Barritt)

Have a lovely weekend.
