

KINETON PRIMARY SCHOOL NEWSLETTER MAY 2021

www.kinetonprimaryschool.org.uk

28th May 2021

Dear all,

We have now reached the end of the first half of the summer term and hasn't time flown! The teachers have been really pleased with how well the children have engaged in their learning this half term and with the progress they have made. Many of the children have benefited from the government's Catch Up Premium, working with Mrs Clegg or Mrs Holt in small groups. Mrs Clement has been providing the additional support in Year 6. Year 3 and Reception will be having their additional sessions after half term.

I'm sure everyone is now looking forward to a half-term break. There is a staff training day on 7th June so school will reopen to pupils on Tuesday 8th June.

Staffing news

I am delighted to announce that Mrs Mitchell-Hilton is expecting a baby in December. Congratulations to her and her husband!

We also say thank you to Mrs Harris who today finishes in her role as a midday supervisor. Her support at lunchtime, particularly in these challenging Covid restrictions, has been much appreciated. We wish her well in her new job.

PE days next half term

Year R - PE Wednesday

Year 1 - PE Monday & Friday

Year 2 - PE Wednesday & Friday

Year 3 - PE Tuesday & Thursday

Year 4 - PE Tuesday & Thursday

Year 5 - PE Tuesday & Thursday

Year 6 - PE Wednesday & Thursday

Dinner changes

On Tuesday 8th June, green option will be Quorn fillet instead of omelette as advertised and there will be no jacket potatoes.

Online safety update

So much of our time has been spent online in the last year with lots of opportunities for the pupils to learn about staying safe while learning and having fun. The digital heroes team will be meeting again after half term and will be sharing ideas and reminding everyone in school how to stay safe online. For those with a Disney+ account, here are some useful tips for keeping your children safe: <https://www.childnet.com/blog/disney-parental-controls-and-privacy-settings>

Parent survey

The governors would like to hear your views on school generally, and specifically on reading and maths. Please use the link below to access the survey. Responses are requested by **Friday 11th June**.

Relationships, Health and Sex Education (RSHE) - My Feelings, Friends and Family

Thank you to parents and carers who provided valuable feedback on our new RSHE policy. During the next half term, each class will be following a programme of work on Relationships, Health and Sex Education. The programme is called 'My Feelings, Friends and Family'.

The programme is delivered over several weeks, across all year groups from Reception to Year 6. The programme is split into five learning strands, with a lesson from each being delivered to every year group. Please see the separate email with details of what is going to be delivered to your children and for more details see the RHSE policy on the school website <http://www.kinetonprimaryschool.org.uk/policies--procedures.html>

The principle of the programme is that we know that by giving children this information, building on simple messages, year after year we can ensure that children grow up safe, with healthy relationships, better able to manage their emotions and most importantly to ask for help when they feel they need it. Please contact your child's class teacher if you would like further information.

ParentPay

Please ensure accounts are cleared and sufficient funds are added to allow for further meals next half term.
