

Safe Internet Use

Foundation Stage and Key Stage 1 Pupils

We use the internet in school to help us with our learning. These rules will keep everyone safe and help us be fair and respectful to others. To keep myself safe I will always:

	Ask a teacher or suitable adult if I want to use the computers / tablets.	
	Use apps, websites and software that a teacher or suitable adult has told or allowed me to use.	
	Always ask if I get lost on the internet.	
	Only use my personal school login and email account in school.	
	Only send polite and friendly emails to people that I know.	
	Tell a teacher or suitable adult if I see something that upsets me on the screen.	
	Keep my password secret from my friends.	
	Never tell people about myself online (my name, email address, phone number and anything about my home, family or pets).	
	Know that if I break the rules I might not be allowed to use a computer / tablet.	

Safe Internet Use

Key Stage 2 Pupils

We use the internet in school to help us with our learning. These rules will keep everyone safe and help us be fair and respectful to others.

To keep myself protected online I will:

	Only access the school network with my own login and password which I will ALWAYS keep secret.
	Not bring in portable data storage e.g. memory sticks, disks from home.
	Only use the internet with an adult present in the same room.
	Make sure all messages I send are respectful .
	Show a responsible adult any content that makes me feel unsafe, uncomfortable and report anything that I know that myself and other children should not be seeing. I understand this will be confidential and will help protect other pupils and myself.
	Not reply to any nasty message or anything which makes me feel uncomfortable
	Only use my personal Welearn365 school email address , provided by school, in school for school purposes.
	not use internet chat rooms or social networking sites in school. Minimum age for most social networks is 13 years old.
	Always keep my personal details private (my name, family information, phone numbers, journey to school, my pets and hobbies are all examples of personal details).
	Always check with a responsible adult before I share images of myself or others.
	Never arrange to meet anyone I don't know.
	Never share anything online. I know that once I share it is completely out of my control and may be used by others in a way I did not mean.
	Understand the school may check my computer files and will monitor the internet sites I visit.
	I will be in serious trouble and reported to the Headteacher if any site I visit or words I type are thought to be unsuitable for my age.
